## Modeux by Claudia Endler

*WHAT? am I the last to know? I can't tell you just how excited I am to learn of the new "fashion jewelry line" from one of my favorite designers Claudia Endler!!!*

Modeux by

Claudia Endler is a contemporary fashion jewelry line. Ideally priced for gift-giving at \$40 to \$200, the line is crafted from silver, blackened metal and gold-plate materials. Infusing modern elements and geometric shapes, Claudia Endler creates jewelry that reveals and highlights a woman's individual style. The line displays a sophisticated, graceful and fresh aesthetic. Modeux is available online and by private appointment at the Claudia

Endler Designs' studio. For further inquiries, please contact us at [info@claudiaendler.com](mailto:info@claudiaendler.com) or 323.225.5925.

This is a chic, contemporary jewelry line designed for the modern woman. With the same effortless elegance and modern aesthetics that Claudia Endler Designs is known for, the line stands out with a tastefully distinct feminine touch and a sense of style.

**"Crafted with the modern woman in mind, Modeux is high fashion at an accessible price."**

*The blasted metals and affordable pricepoints are a winner! Claudia is on my HOTLIST of designers and now that she has a fashion line, I can love even more of her stunning designs!!! Thanks Claudia!*
