

About Claudia Ender Designs

Los Angeles-based Claudia Ender Designs is a premiere designer of distinctive, contemporary jewelry speckling in combining the best of graphic design, art and architecture. Each design features architectural and geometric-inspired elements to create a sculpturally visual impact and is handcrafted in silver, 18K white, red or yellow gold or platinum. Collections and custom designs include singularly unique creations for men and women, such as stackable rings, statement pieces and wedding designs. Claudia Ender Designs has been featured in USA Today, Marie Claire, Inside Weddings, and GENLUX.
