# THE POWER OF CHANGE IS IN OUR HANDS...

The City of West Hollywood has established a first-of-its-kind West Hollywood Youth Scholarship Program that will award \$1,500 to students who complete 150 hours of community service. The Youth Scholarship Program is a unique scholarship program that places a heavy emphasis on community service. The scholarship money can be used for any expense incurred in pursuing education at an accredited college, university or trade/vocational school. The Youth Scholarship Program is one the first municipal government sponsored scholarship programs of its kind in the country. Proceeds from the Women In Leadership Awards will go towards funding a scholarship designated for a female recipient. Please make check out to “City of West Hollywood”, memo: “WHYSP”.

The West Hollywood Women’s Advisory Board (WAB) advises the City Council on policies and other issues pertaining to women, advocates on behalf of women’s rights, and provides programming addressing women’s concerns. The month of March is nationally recognized as Women’s History Month—a time to commemorate and reflect upon the many accomplishments of women and the continuing struggle for equal rights.
